**English / Cebuano Dictionary** John Rigdon 2017-01-21 Cebuano. (AKA Bisaya / Sinugbuanon / Binisaya nga Sugbuanon) belongs to the Philippine branch of Malay-Polynesian languages and is spoken by about 20 million people in the Philippines. It is most often referred to by most of its speakers simply as Bisaya. It is spoken mainly in the Central Visayas by the Bisaya people, and is also spoken in northeastern parts of Negros Occidental province, in southern parts of Masbate, in most of Leyte and Southern Leyte, in western portions of Guimaras, in parts of Samar, Bohol, Luzon, the Biliran islands, and in most parts of Mindanao. It is used as a lingua franca in the Central Visayas and in parts of Mindanao. The language is named after the island of Cebu, where the prestige register is spoken, and is also known as Bisaya, Binisaya, Bisaya nga Sugbuanon or Sinugbuanon. Cebuano speakers are known as Cebuano in Cebu, as Bol-ano in Bohol, as Kana in Leyte, and as Bisinasa or Bisaya in Mindanao and Luzon. This dictionary contains 12,600 words in English and Cebuano. Also included is a guide to English and Cebuano pronunciation and grammar.--------

**The Basics of Kurmanji - Behdini Grammar** Shirzad Alkadhi 2019-04-17 This book explains, in both English and Kurmanji, the correct way to speak, read, and write Kurmanji. It is designed to be used inside the classroom or for independent study. The book will enable anyone who knows the basics of English to learn the basics of the Kurmanji language with ease. In four chapters, it explains the rules and characteristics of Kurmanji-Kurmanji, the principles of the creation of sentences, and the correct pronunciation of letters and words. The book classifies the various elements of the language, as well as the similarities between the Kurmanji dialects. Also included in the book is a sampling of the ethics, culture and daily life in Kurdistan.

**Daughters of Smoke and Fire** Ava Homa 2020-05-12 The unforgettable, haunting story of a young woman’s perilous fight for freedom and justice for her brother, the first novel published in English by a female Kurdish writer. Set primarily in Iran, this extraordinary debut novel weaves 50 years of modern Kurdish history through a story of a family facing oppression and injustices all too familiar to the Kurds. Leila dreams of making films to bring the suppressed stories of her people onto the global stage, but obstacles keep piling up. Her younger brother, Chia, influenced by their father’s past torture, imprisonment, and his deep-seated desire for justice, begins to engage with social and political affairs. But his activism grows increasingly risky and one day he disappears in Tehran. Seeking answers about her brother’s whereabouts, Leila fears the worst and begins a campaign to save him. But when she publishes Chia’s writings online, she finds herself in grave danger as well. Inspired by the life of Kurdish human rights activist Farzad Kamangar and published to coincide with the 10th anniversary of his execution, Daughters of Smoke and Fire is an evocative portrait of the lives and stakes faced by 40 million stateless Kurds. It’s an unflinching but compassionate and powerful story that brilliantly illuminates the meaning of identity and the complex bonds of family. A landmark novel for our troubled world, Daughters of Smoke and Fire is a gripping and important read, perfect for fans of Khaled Hosseini’s The Kite Runner and Chimamanda Ngozi Adichie’s Half of a Yellow Sun.
Kurdish Reader. Modern Literature and Oral Texts in Kurmanji-Khanna Omarkhalı 2011 The Kurdish Reader by Khanna Omarkhalı comprises an exciting collection of texts in Kurmanji, the northern dialect of the Kurdish language. It is designed to help students with a basic knowledge of the Kurdish language to enhance their fluency by studying a variety of texts ranging from literary and folklore to non-narrative prose works. The first part of the book focuses on the literary works, both prose and verse, from all parts of the Kurmanji speaking countries. Many of the texts were produced in Armenia where the dialect evolved its written tradition. This is the first collection incorporating material from this important literary and cultural heritage. As the first part of the book presents the development of written tradition, part two introduces the reader to a range of variants of Kurmanji from Turkey, Armenia, Russia, Syria, Iraqi Kurdistan, Azerbaijan, Turkmenia, and Khorasan, each conveying the richness of their forms. This part of the Reader is of interest for Kurdish Oral History Studies too for it consists of various recordings of historical information, based on the personal experience of the speakers. The Reader contains two Kurdish-English glossaries and a grammar section. This constitutes a comprehensive outline of the subjects under study along with a fundamental description of the cornerstones of Kurmanji grammatical categories, and explanations of the main discrepancies between the local Kurmanji variants and the literary language with examples taken from the selections. Additionally, the book offers English translations of selected texts with an English-Kurdish dictionary of linguistic terms.

FERHENGA BIRUSKI Kurmanji - English Dictionary Volume One: A - L-Michael L. Chyet 2020-01-07 Ferhenga Biruski is the go-to dictionary for Kurmanji a dialect of Kurdish evolved from Old Kurdish in parts of Iran, Iraq, Syria, Turkey while also being common among a large diaspora of Kurds in Europe, North America and elsewhere. This comprehensive Kurmanji-English dictionary is prepared in two volumes by Michael L. Chyet, a renowned lexicographer and a part of the dictionary is presented here. It is designed for people who are very visual, learning all the foreign words you could muster with this pictorial dictionary. This dictionary is an essential resource for linguists and others interested in Kurdish language and people. "The second edition of my Kurmanji-English dictionary, which I would like to call "Ferhenga Birúschi" to honor the memory of my beloved friend and colleague Birús Tugan, contains considerably more entries, and in many cases offers fuller information on earlier entries. In addition, I have found and corrected several typographical errors. Moreover, it is to be accompanied by a companion English to Kurdish volume. [...] It is my goal to accurately reflect the language as it exists today, providing variant spellings, synonyms, and regional usage, as well as etymologies. The late Iranian D.N. MacKenzie advised me early on to avoid filling my dictionary with "ghost words". He suggested that I base all the entries in my dictionary on texts (both written and orally generated), to ensure that I am reflecting the language as it is used by its speakers. The earlier dictionaries include words of unknown provenance, which may have no existence outside those pages." - Excerpt from the Introduction by Michael L. Chyet Preface by Deniz Ekcioğlu Introduction to Ferhenga Biruski Review of Kurdish Dictionaries How to use Informants Calendar Systems Dictionary A to L

Kurdish Picture Book-Wai Cheung 2017-03-25 Color your way while learning all the foreign words you could muster with this pictorial vocabulary books. From members of the family to household items, this book series covers a broad range of vocabulary needed by anyone interested in learning a foreign language. Great for your child to develop language skills, as a gift for someone who does, or yourself, this series is both creative and educational as well as a must for people who are very visual, which is very many of us.

The Kurdish Bike-Alessa Lightbourne 2016-07-19 "Courageous teachers wanted to rebuild war-torn nation." With her marriage over and life gone flat, Theresa Turner responds to an online ad, and lands at a school in Kurdish Iraq. Befriended by a nearby woman, the school girl's world is emboiled in the joys and agony of traditional Kurds, especially the women who survived Saddam's genocide only to be crippled by age-old restrictions, brutality and honor killings. Theresa's greatest challenge will be balancing respect for Kurdish culture only to be crippled by age-old restrictions, brutality and honor killings. Theresa's greatest challenge will be balancing respect for Kurdish culture and the joys and agony of traditional Kurds, especially the women who survived Saddam's genocide only to be crippled by age-old restrictions, brutality and honor killings. Theresa's greatest challenge will be balancing respect for Kurdish culture and the rights of Kurds by Arab, Ottoman, and Persian powers for almost a century, and explains why Kurds are now evolving from a victimized people to a coherent political community. David L. Phillips describes Kurdish rebellions and arbitrary divisions in the last century, chronicling the naid of Kurdish experience in the 1980s. He discusses draconian measures implemented by Iraq, including use of chemical weapons, Turkey's restrictions on political and cultural rights, denial of citizenship and punishment for expressing Kurdish identity in Syria, and repressive rule in Iran. Phillips forecasts the collapse and fragmentation of Iraq. He argues that US strategic and security interests are advanced through cooperation with Kurds, as a bulwark against ISIS and Islamic extremism. This work will encourage the
Forces. Rigorously reported and powerfully told, The Daughters of Kobani...
**A Poisonous Affair**—Joost R. Hiltermann 2007-06-18 In March 1988, during the Iran-Iraq war, thousands were killed in a chemical attack on a town in Iraqi Kurdistan. Both sides accused the other. Gradually it emerged that Saddam Hussein, with the tacit support of his western allies, was responsible. This book tells the story of the gassing of Halabja, and how Iraq amassed chemical weapons to target Iranian soldiers and Kurdish villagers as America looked the other way. Today, as the Middle East sinks further into turmoil, these policies are coming back to haunt the West.

**Traditional Kurdish Food**—Ala Barzinji 2015-03-21 Traditional Kurdish Food is perhaps the most comprehensive collection of Kurdish culinary heritage available in book form in English. Here you will find unique insights into the diverse cuisine and culinary customs of regional Kurdistan that have never been presented in this way. This book reveals to the world new tasty and resourceful recipes from this ancient land. It is the key that unlocks a secret door behind which lies the origins of so many dishes that we love and take for granted today. Fresh ingredients and liberal use of spices and herbs are intrinsic to these recipes. Some of the recipe names may seem familiar - kabab, paqlawa- albeit delivered with a distinctly Kurdish flavour; others will be delightfully new. Each recipe is illustrated with a mouth-watering colour photograph.

**Unified Kurdish Language**—Hamma Mirwaisi 2016-03-08 A unified alphabet is a basis for a unified language so that the Kurdish people will understand one another. The language contribution in this book, although relatively small, is very meaningful because it comes from the roots of the languages used by more than 500 million people in the Middle East. It is meant to be the foundation of a unified language and for a future dictionary of the Unified Kurdish language. This unified alphabet is good for Kurds who have descended from the ancient Medes (Kurmanji, Sorani, Zazas, Dimili, Goran, Lak, Lurs and Bakhtiaris, Hawrami, old Azert, Talish and other groups), Persians (Pars, Dari, Tajick and other groups too who adopted white Aryan language) and the entire Aryanem people. As authors of the historical novels Vaohri Queen of the Ancient Medes (Kurds) and Esther Mystery Queen of the Medes (Kurds), Kurdish people history, white people history, Kurdish women struggle for peace and freedom in Kurdistan, Jewish people history by Hamma Mirwaisi is working to revive knowledge and understanding of the ancient white Aryan Civilization described in these books of a series. I hope the readers and many others will support the concept of the establishment of and the Economic Union for the Middle East to solve some of the problems among the population of that part of the world. It will require the support of a Unified Kurdish Language based on the unified alphabet formulated in this book.

**Periplus Pocket Mandarin Chinese Dictionary**—Philip Yungkin Lee 2017-08-29 This handy Mandarin dictionary allows you to look up words quickly and easily—and be understood while speaking. From government to everyday household items, all the common vocabulary words are included. Furthermore, the stress had been labeled for each one, making sure you know exactly how to pronounce the word. This guide is a must for any language learner.

**Essays on Kurds**—Amir Hassanpour 2020-02-15 The essays in this collection offer robust theoretical analysis of language and cultural rights, class and gender, policy and politics, history and historiography, nation and nationalism, and Marxism. They continue to remain original to a vast array of debates and contestations in these areas. The book includes unpublished pieces and some key contributions that are most relevant to the contemporary debates on theory and method of nation/nationalism, and the struggle of national minorities for sovereignty, cultural and political rights. Each chapter provides original data and are written over a span of decades, but significantly, they offer a radical break with the colonial, orientalist, and nationalist traditions of knowledge production. This book is an exemplary exploration of nation and nationalism in a Marxist dialectical, historical materialism.
